CHAPTER 546

An act to amend, repeal, and add Sections 4992.1, 4996.1, 4996.3, 4996.4, and 4996.17 of the Business and Professions Code, relating to clinical social workers.

[Approved by Governor September 29, 2010. Filed with
Secretary of State September 29, 2010.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2167, Nava. Clinical social workers: examination requirements.

Existing law, the Clinical Social Worker Practice Act, provides for the licensure and regulation of social workers by the Board of Behavioral Sciences. Existing law requires the board to issue a license to each applicant meeting specified requirements who successfully passes a board administered standard written or oral examination or both examinations and existing law also provides for a clinical vignette written examination for these applicants. Under existing law, the fee for the standard written examination is \$150 and the fee for the clinical vignette written examination is \$100.

This bill would, on and after January 1, 2014, if the board makes a specified determination, instead require the board to issue a license to each applicant meeting specified requirements who successfully passes the Association of Social Work Boards Clinical Level Exam administered by the Association of Social Work Boards and a separate California jurisprudence and ethics examination incorporated or developed and administered by the board. The bill would provide a maximum \$100 fee for the jurisprudence and ethics examination. The bill would also make conforming changes.

This bill would incorporate additional changes in Section 4996.3 of the Business and Professions Code proposed by AB 2191, to be operative if AB 2191 and this bill become effective on or before January 1, 2011, and this bill is enacted last.

This bill would incorporate additional changes in Section 4996.17 of the Business and Professions Code proposed by SB 1489, to be operative if SB 1489 and this bill become effective on or before January 1, 2011, and this bill is enacted last.

The people of the State of California do enact as follows:

4992.1. (a) Only individuals who have the qualifications prescribed by the board under this chapter are eligible to take the examination.

(b) Every applicant who is issued a clinical social worker license shall be examined by the board.

(c) Notwithstanding any other provision of law, the board may destroy all examination materials two years following the date of an examination.

(d) The board shall not deny any applicant, whose application for licensure is complete, admission to the standard written examination, nor shall the board postpone or delay any applicant's standard written examination or delay informing the candidate of the results of the standard written examination, solely upon the receipt by the board of a complaint alleging acts or conduct that would constitute grounds to deny licensure.

(e) If an applicant for examination who has passed the standard written examination is the subject of a complaint or is under board investigation for acts or conduct that, if proven to be true, would constitute grounds for the board to deny licensure, the board shall permit the applicant to take the clinical vignette written examination for licensure, but may withhold the results of the examination or notify the applicant that licensure will not be granted pending completion of the investigation.

(f) Notwithstanding Section 135, the board may deny any applicant who has previously failed either the standard written or clinical vignette written examination permission to retake either examination pending completion of the investigation of any complaint against the applicant. Nothing in this section shall prohibit the board from denying an applicant admission to any examination, withholding the results, or refusing to issue a license to any applicant when an accusation or statement of issues has been filed against the applicant pursuant to Section 11503 or 11504 of the Government Code, or the applicant has been denied in accordance with subdivision (b) of Section 485.

(g) On or after January 1, 2002, no applicant shall be eligible to participate in a clinical vignette written examination if his or her passing score on the standard written examination occurred more than seven years before.
